¹ **Note** : Maurice Fitzgerald traveled with the emigration group under the name of John Buckley whose name is given on the preceding page. In most of these instances of 'double identity,' the person to whom Peter Robinson had initially assigned the embarkation ticket (in this case, John Buckley) decided not to take up his place in Robinson's group and often gave or sold his embarkation ticket to another person (in this case, to Maurice Fitzgerald). To avoid complications, the person who received the ticket from the original assignee simply assumed the identity of that original assignee.

¹ **Note** : John Callaghan was a brother of Denis & Timothy Callaghan. John sailed in the 1825 Robinson emigration group but settles in Ramsay Township in the Bathurst District to join his two brothers who had been located there by Peter Robinson in 1823. John Callaghan never occupied the land which he was originally granted in 1825, which is unspecified, but took over his brother Timothy's land (Lot 5, Con. 1, Ramsay Twp.) indicated in his entry above (Carol Bennet note).

² **Note** : Another documentary source lists Daniel Connor's place of origin as Glanmile, Kanturk, County Cork.

³ **Note** : David Nagle was a brother of Michael Nagle who had emigrated in 1823 and who had also been located in Bathurst Township, on Lot 19, Concession 5, in the Bathurst District. See entry for Michael Nagle in section 6.2. above.

⁴ **Note** : Margaret St. Leger emigrated with the 1825 Peter Robinson group to join her husband, Thomas St. Leger, who had come with the 1823 emigration group. Neither she nor her husband settled in the Bathurst District and Carol Bennett states that they both may have settled in Montreal. Thomas St. Leger's entry is included in section 6.1.
